INSTRUCTION TO AUTHOR

International Journal of Research in Maternal, Obstetric and Gynecological Nursing

International Journal of Research in Maternal, Obstetric and Gynecological Nursing (ISSN – Print: Applied For) is an international, peer-reviewed journal dedicated to advancing knowledge and promoting excellence in maternal, obstetric, and gynecological nursing. The aim of IJRMOGN is to disseminate high-quality, original research and evidence-based practices that contribute to the improvement of maternal health, reproductive health, patient care, nursing education, clinical practice, and healthcare outcomes. The journal publishes Original Research Articles, Review Articles, Short Communications, Case Reports, and other scholarly contributions in the field of maternal, obstetric, and gynecological nursing and healthcare. Topics covered include Maternal Health Nursing, Obstetric Nursing, Gynecological Nursing, Antenatal Care, Intrapartum Care, Postnatal Care, High-Risk Pregnancy, Labor and Delivery Management, Maternal and Fetal Health, Reproductive Health, Family Planning, Infertility Care, Menstrual Health, Menopause Management, Pregnancy-Induced Hypertension, Gestational Diabetes, Maternal Mental Health, Breastfeeding and Lactation Support, Neonatal Care, Women's Health Promotion, Prevention of Maternal Morbidity and Mortality, Nursing Education, Evidence-Based Nursing Practice, Clinical Nursing Research, and innovations in maternal, obstetric, and gynecological nursing practice and healthcare delivery.

General
All submitted manuscripts should contain original work neither published previously nor under consideration for publication elsewhere. Articles shall be accepted from any country provided submitted in English language only. There is page limitation for articles up to 10 pages; the authors must strive to present their results as clearly and concisely as possible. Authors, in their cover note to Editor, shall have to clearly mention whether the manuscript is to be considered as a Research article, Short communications or a Review article.

Peer review policy
The journal aims Publication of articles while maintaining rigorous peer review process, each article will be subjected to a minimum of two reviews by two individual reviewers. Reviewers will be insisted to review the paper within 15 days time and if he/ she fail to return will be sent to other reviewer for review. The reviewer shall review the article as per instruction to author, special emphasis on spelling, format of references in text and reference section, methodology, citation of journals cited, and summary and findings. Manuscripts shall go through a peer review process to adjudge their suitability and authenticity, for publication in the journal. A confirmation about the acceptance of the manuscript will be sent to e-mail address of the corresponding author. Please check your e-mail account frequently, because you will receive all important information about your manuscript through e-mail only.

Submission of Manuscript
Authors may submit the articles only through the online manuscript submission Submit a Paper system. Authors are advised to submit the articles as MS Word 2003 or 2007 format only, with the pdf copy of letter for publication and copyright form duly signed by author/(s), scanned.

File size
Authors will be requested to substantiate the need if it exceeds the maximum number of pages. The file size of the MS word format may not exceed 10 MB size for submission through manuscript submission portal of www.anvpublication.org.

Language
Language of the articles should be only in English, we are not processing articles in any other languages

Font type
Articles should be typed in single line spacing with the following font pattern
Font type : Times new roman
Size **:** For heading or title: 14 points and Bold (Small Letters, not capitalize the titles unnecessarily unless required, e.g. HPLC, HPTLC, UV, GC, TLC, SEM, TEM, etc.)
Author/ Coauthors name: 11 points and Bold Affiliation/ Institute name: 10 points
For subtitles: 11 points and Bold Content of article : 10 points
Table title and Content: 8 points

Submission order
The following order should be strictly followed while submitting the article
Front page: (Page-1) Title of article, authors' names, authors' institutional affiliations only and leave other spaces empty
On second page: (Page-2) Start with abstract of about 200- 400 words exactly conveying the content of the article, Keywords (at least 5 words)
On third page: (Page-3 onwards) Main content text with all tables and figures aligned in their proper place (do not send tables and figures separately unless requested), List of symbols and Abbreviations, Acknowledgement, References (follow standard format),

Preparation of manuscripts:
Manuscripts should be submitted as per order: Title Page, name of author (s), Abstract, Key words, Introduction, Material and Methods, Results, Discussion, Acknowledgements (if necessary) and References. If the Result and Discussion sections are combined, then a Conclusion section should be added.

Title Page: The first page should contain a concise and informative title, the names and addresses of the authors and contact details of the corresponding author (postal address, e-mail, and fax and telephone numbers).

Abstract: It should be about 200-400 words. Key words: A maximum of 5 key words must be given at the end of the Abstract.

Introduction: This part should define the background and significance of the study by considering the relevant literature, particularly the most recent publications.

Material and Methods: Please provide concise but complete information about the material and the analytical, statistical and experimental procedures used. This part should be as clear as possible to enable other scientists to repeat the research presented.

Results: In this part, the same data/ information given in a table must not be repeated in a figure, or vice versa. It is not acceptable to repeat extensively the numerals from tables into text and give lengthy and unnecessary explanations of the Tables and Figures.

Discussion: This part must be written with reference to the tables and figures and by considering information from the literature. Statements made in the Introduction and Results sections should

not be repeated here.
Acknowledgements: If necessary, a brief Acknowledgements section may be included.

References: References should be cited in the text in Arabic numerals in superscript. The references should be cited at the end of the manuscript in the order of their appearance in the text. For citation of references with three or more authors, only the first author's name followed by et al. should be used. Example of References to journal articles, books, chapters in books, etc. should be cited, as follows:
